The background features a large, wavy orange shape at the top and a large, wavy pink shape at the bottom. The orange shape has three main peaks, and the pink shape has four main peaks. The two shapes overlap in the middle, creating a yellowish-orange area. The text 'BLOG' and 'COLLECTION' is placed within the orange area.

**BLOG**

**COLLECTION**

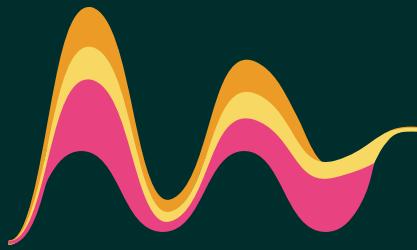

**WebSoundArt** is an international and digital platform for netsound art, made by artists and programmers.

Through articles, workshops, and a call, WebSoundArt wants to stimulate reflection on sound art on the internet and support the development of new net-sound art.

WebSoundArt is an initiative by composer and sound artist Eveline Vervliet. She is assisted by an international group of composers, musicians, artists and programmers.
